1. Background Information

About the school

- 1.1 The Froebelian School is an independent co-educational day school for pupils aged between three and eleven years. It was founded in 1913. In 1973 it became a charitable educational trust, administered by a board of governors known as the School Council. The school is divided into two departments. The pre-prep caters for pupils from Nursery to Year 2 and the Juniors for those in Years 3 to 6. Since the last inspection a new Chair of Governors has been appointed in January 2018.
- 1.2 During the period March to June 2020, the whole school remained open only for children of key workers. From June 2020, the children in Nursery, Reception, Year 1 and Year 6 attended school in line with government direction with all other classes accessing remote learning at home.
- 1.3 During this period of closure the school provided remote learning materials for all pupils.
- 1.4 In the interests of infection control during the COVID-19 (coronavirus) pandemic, inspection evidence was gathered partly remotely and partly on site to reduce contact within the school setting.
- 1.5 In line with the direction given by the Department for Education (DfE) at the time, no evaluation has been made of the nature or effectiveness of any provision made during the period March to August 2020, including its impact on pupils' learning, achievement or personal development. Any concerns relating to pupils' welfare during this period which directly relate to measures implemented by the school have been considered.
- 1.6 During the lockdown period of January to March 2021, all pupils other than the children of key workers or vulnerable pupils received remote learning provision at home.

What the school seeks to do

- 1.7 The school seeks to provide a caring, supportive and structured learning environment where quality education develops the whole child, aiming to enable pupils to maximise their potential. It aims to foster good relationships throughout the Froebelian family and beyond to ensure a smooth transition for children towards the next phase of their learning.

About the pupils

- 1.8 Pupils come from a range of professional backgrounds and most live within a 10-mile radius of the school. Nationally standardised test data provided by the school indicate that the ability of the pupils is above average. The school has identified five pupils as having special educational needs and/or disabilities (SEND), which include dyslexia and social and emotional difficulties, three of whom receive additional specialist help. No pupil in the school has an education, health and care (EHC) plan or a statement of special educational needs. English is an additional language (EAL) for six pupils, whose needs are supported by their classroom teachers. Data used by the school have identified 53 pupils as being the more able in the school's population, and the curriculum is modified for them and for six other pupils who have special talents in sport, art, music and drama.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage statutory framework, and for registered settings the full range of the Early Years Foundation Stage provisions is considered. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Links to the standards and requirements can be found here: [The Education \(Independent School Standards\) Regulations 2014](#), [Early Years Foundation Stage Statutory Framework](#).

COVID-19: Inspection judgements do not cover the period March to August 2020 inclusive.

They held discussions with members of staff and with the chair of governors, observed a sample of the extra-curricular activities that occurred during the inspection period, and attended assemblies. Inspectors visited the facilities for the youngest pupils, together with the learning support and educational resource areas. The responses of parents, staff and pupils to pre-inspection questionnaires were analysed, and the inspectors examined curriculum and other documentation made available by the school.
