FI Weekly Newsletter
23 September 2021

Dear Parents,

We seemed to have been able to do so much this week, even with the 3-day weekend. Form I have been busy learning about Prehistoric Britain and finding their own facts about the stone age in our topic lessons, which we are going to turn into some nonfiction writing. They have continued to enjoy their Netball lesson on a Tuesday and their Tennis lessons on Thursdays, and started a new line of study in Science all about nutrition and food, as well as French, singing, RE and Drama. We are continuing to work on organisation especially packing bags, handing in homework, following instructions first time. I am pleased to say some pupils already are taking greater responsibility for their things.

Reminders -

- Please can planners be checked and signed for Monday.
- We are continuing to listen to readers, please can all reading done at home be documented in your pupil's planner.

Please see below for learning taken place this week:

English – This week, Form I have been looking at if they should use ‘a’ or ‘an’ article before an adjective or a noun. We have looked at the most common rule which involves vowels and consonants such as “a horse, an apple” but also the exceptions to this rule with vowel and consonant sounds such as “an heir and a unicorn” all pupils understood that when they say the article and word allowed sometimes it doesn’t sound right.

Maths – This week, we have been developing our place value skills and looking at rounding numbers to the next multiple of 10. We have looked at rules for this and used number lines to help us where necessary. All pupils were able to round 2-digit numbers to the next multiple of 10 and some started using this skill to round to 100 and even started to estimate additions and subtractions.

Have a lovely weekend we look forward to see you at open day.

Mr Finan, & Mrs Jackson

Calendar Dates –

| September | |
|-----------|---------------------------|
| Mon 26 | European Day of Languages |
| Weds 28 | FPTA AGM 7pm |
