

Froebelian School  
Kindergarten's Newsletter  
23 September 2022

Next week, the whole school ethos theme will be:

**We care about other people's feelings**

Dear Parent,

This week we have started our Phonics teaching! The children will be bringing home a reading book this week so please do read this over the weekend and sign the reading diary to let us know how they got on. Please return them on Monday so they can be changed ready for a new book.

Please bear with us as there may be some books the children find slightly easier or challenging. This is why it is important to sign and comment in the reading diary. Please do be sure to complete the comprehension questions at the back of the book too. As the children's confidence grows over the coming weeks, we will be able to find the correct level for your child.

### Literacy

This week, we have been learning the sounds s, a, t and p. We have been reading words with these sounds and trying to form the letters using the rhymes. See if your child can practise some letter formation at home:

- s – Curl around and around the snake's body.
- a – Around the apple, up the stalk and down the leaf.
- t - Down the teaspoon and under the teacup, then across the top.
- p - Down the puppy's neck and leg, up and around his head

Next week we will be learning the sounds i, n, m and d.

### Mathematics

This week, we have been practising counting out the correct number of objects to match a number. We have been really impressed with the children's counting and number knowledge this week. See if your child can practise counting out objects from 11-20.

Next week, we will practise estimating and counting to check if we were correct.

### Homework

All homework will be set on the Seesaw app. This week, the children have a Phonics focus. The children will have the opportunity to recap all the sounds we have learnt his week and apply their knowledge. There is also an optional extra reading booklet on Seesaw, if you feel your child is ready for that.

Your child will also bring home some flashcards with the sounds we have been learning. If your child can recognise the sounds, try to put some of them together to make a word e.g. s-a-t.

We hope you have a lovely weekend!

From the KG team

### Calendar Dates –

September	
Mon 26	European Day of Languages
Weds 28	FPTA AGM 7pm
