Dear Parents,

My name is Milka Kalinowska and I am the violin teacher at Froebelian School.

I have a wealth of teaching experience at schools in the West Yorkshire area and also at Leeds College of Music. I am very passionate about the violin and encouraging children to get involved in music from an early age.

For your child to start learning violin, they will need to have an instrument to practise on at home. I can help with choosing the correct violin (size and brand) if you do not own one already. It is also possible to rent a violin temporarily.

The lessons in school take place weekly and rotate throughout the day so that your child is not always missing the same school subject when having their lesson. I aim to provide 30 lessons in each academic year. The school requires me to invoice parents directly, and the cost for 2023-2024 is £19.00 per 30-minute lesson, payable each term in advance. There will also be some tuition books you will need to purchase.

If you are interested in lessons or would like to discuss anything further please contact me on the mobile number or email address above.

Kind regards

Milka
