

The Froebelian School
Welcome to Remove
15th September 2023

Next week, our whole school ethos theme will be:

We think about everyone's right to learn.

A Snapshot of our week in Remove: -

Wow, what a busy week we have had in Remove. I cannot believe that we have completed our first full week. The children have all worked very hard and are becoming familiar and comfortable with the expectations of Remove. Thank you for the wonderful summer projects we are working our way through the super collections.

Tests

Monday – Spellings

Tuesday – Times Tables (focus on 2, 5, 10s) a new focus to get the children in school fast with table responses as they complete TT Rockstars.

Wednesday – Mental Maths

Monday – we have started the week with our phonics lesson, please keep revisiting sounds from level 5 as I noticed that some children are less confident with some of these. We went onto start looking at place value using our new maths scheme 'White Rose'. In the afternoon we had the Hook day reveal and thinking about the start of our new topic 'Beachcombers'.

Tuesday – we travelled to Scarborough, Sealife centre. The children and staff had a fantastic day despite the wet weather. The children were given so many hands-on experiences including the interactive Rockpools and watching the sharks and rays being fed. The children were so well behaved and looked really smart in their P.E kits.

Wednesday- another exciting day for the whole school – Rockstars are entered school for a morning of times table games and activities. Thank you to Mr Mullis for setting us up with log in details for TT Rockstars. In the afternoon the children performed dances to 'We Will Rock You' with Miss Suggitt.

Thursday- The children enjoyed their French lessons with Madam Pickford. They are learning how to say hello in different languages and have learnt a song which teaches how people say hello in different countries. In the afternoon we write an account of our trip to The Sealife centre.

Friday – we continued with place value and used a variety of equipment We did an activity drawing in circles and made a My Place in the World. We completed our first R.E lesson and looked at Rosh Hoshana (Jewish New year)

Test Corrections: (Start next week)

Please remember to take time to go over the tests and give your child extra examples of the types of questions he/she got wrong. We start to correct using a purple polishing pen, I will send one home on Wednesday in the homework books.

If the test book, homework book and spelling book have not yet been backed please could you back them over the weekend (don't worry if you haven't done this yet)

Reading:

We would be grateful if you could send in the reading record books every day.

To add variety to their reading sessions at home, especially if they finish their schoolbook in one night, I encourage you to read something from home or the library and record the details of that in your child's Reading Record book. The more they practise, the faster the expression and fluency will develop.

Homework:

This week the children are encouraged to download the app TT Rockstars and have been given log in details that are in the reading Record books. They are so excited about starting this and we will continue to monitor their progress.

We hope you all have a lovely weekend.

Kind Regards,
Kimberley Sibson & Kelsey Beaumont
