Dear Parents,

At The Froebelian School, safeguarding and promoting the welfare of children is **everyone's responsibility** and our top priority. Anyone who comes in to contact with children and their families has a role to play.

We recognise that all staff and governors have a full and active part to play in protecting our pupils from harm, and that the child's welfare is our paramount concern. We ensure that anyone, paid or voluntary, who seeks to work in our school is safe to do so.

Our school takes pride in offering a safe, caring, positive and stimulating environment that promotes the social, physical and moral development of the individual child free from discrimination or bullying where children can learn and develop happily. By sharing these newsletters with you, we hope you will see all of the work that goes in to keeping your children safe.

Best wishes

Anna Coulson (Designated Safeguarding Lead)

Keeping Children Safe in Education 2023

Keeping Children Safe in Education is a statutory Department for Education document, which all schools must follow when carrying out their duties to safeguard and promote the welfare of children. It covers many aspects of safeguarding including different forms of abuse, early help processes, safe recruitment, how concerns must be reported and the role of the Designated Safeguarding Leads.

Safeguarding and promoting the welfare of children is defined as:

- Protecting children from maltreatment
- Preventing impairment of children's mental and physical health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes

Report any concerns

If you suspect a child is being abused or is in danger of being abused please contact a Designated Safeguarding Lead, or any member of staff.

If a child is in immediate danger, call the Police immediately on 999.

Online Safety

Using online facilities to help with learning, keep in contact with others and to give some 'down time' is part of all of our lives, but it is important that we all know how to keep children safe when doing so. We would like to draw your attention to the [Net Aware](#) website, which has superb guides to the most popular apps, games and social media sites, along with strategies for how to keep your child safe when online.

Did you know?

All social networking platforms and apps have minimum age limits. Some social networks use technologies that might not be appropriate for some ages, or engage with communities that are made up of people much older than your child.

What are the risks of an underage social networking account?

- Many sites include an instant message function which allows private conversations. Not everyone your child meets online will be who they say they are.
- Most social networking sites have an app version, meaning your child will have access to the social network from their smartphone or tablet. **Some app versions of social networks use the location of the phone.**
- Chat rooms and forums can connect people who are complete strangers and can be un-moderated.
- Information shared between friends can be easily copied and may spread.
- It isn't easy to take back information that has been posted – and can be impossible if it's already been shared.
- Chat rooms and forums are one of the places online groomers go to connect with children. They can also be places where people use inappropriate language. This is sometimes done through video chat programmes.

What can I do to keep my child safe?

1. **Think about online routines:** Have a conversation with your child about online safety and agree some rules to help keep them safe.
2. **Have a conversation about online pressures and cyberbullying:** Remember to talk to your child about what they are doing online and who they are talking to. Check in with them regularly and remind them they can talk to you, another trusted adult, like a teacher, or a [ChildLine counsellor](#) about anything they are worried about.
3. **Set up devices safely:** Make sure you set it up with your child, exploring any safety features. Remember to use parental controls!
4. **Keep children safe on conferencing apps:** Supervise your child when they use these apps; remind your child not to share chat links or passwords on social media; explore any security features like how to report and block; talk to your child about what they are sharing.

What is a Designated Safeguarding Lead?

Governing bodies should ensure that the school or college designates an appropriate senior member of staff to take lead responsibility for child protection. Key aspects of the 'Designated Safeguarding Lead' role include:

- Making sure all staff are aware how to raise safeguarding concerns
- Ensuring all staff understand the symptoms of child abuse and neglect
- Referring any concerns to social care
- Monitoring children who are the subject of child protection plans
- Maintaining accurate and secure child protection records
- Raising awareness of the school's safeguarding policies and procedures, and ensuring they are implemented and reviewed regularly

Our Designated Safeguarding Lead is: Mrs Coulson Our Deputy Designated Safeguarding Leads are: Miss Sibson, Miss Suggitt and Mrs Bowling, who can be contacted via the School Office to discuss any safeguarding concerns you may have.

Remember! You can always speak to your child's class teacher if you have any safeguarding concerns.
