

**The Froebelian School**  
**Transition Weekly Newsletter**  
**29.09.23**

Next week, our whole school ethos theme will be:

**We work well with others.**

Dear Parents,

All of the children are still settling in well to their new routines. We have again discussed classroom rules and the children have been trying hard with their work but also with their sensible attitudes in the classroom, corridor and playground. We now have a **noise -o -meter** which lights up to tell the children to use partner voices in class, silence or indoor voices. It helps the children with the noise levels in the classroom.

**Some highlights from our week in Transition this week:**

- On Monday, we had a Maths lesson all about place value. We started counting on from a number We wrote down our new spellings and had a phonic session continuing phase 5
- Tuesday was another Maths session on place value. We had lots of activities to find out 1 more and a phonics session.
- On Wednesday, we had lots of Dinosaur activities to complete. We wrote about our favourite activity when Dexter the baby dinosaur came to school.
- On Thursday, we had a PE lesson with Mr Heseltine. We are learning Harvest songs with Mrs Jones
- On Friday, an author came to talk to us about the book she had written. We had PHSE, Games and a phonics lesson ...what another busy week!

**Homework:**

**Connected Curriculum** – Over the weekend, I would like your child to complete a maths task that I have placed on Seesaw.

**Reading Books:**

Once you have read with your child can I please ask that you sign the planners .Thank You for your support once again

**Spelling Tests:**

On Monday, the test will be on the ten words sent home earlier this week. If children receive full marks, they will be given a blue merit badge to wear for the week. Whenever possible we will try to award merit badges on Tuesday so the children find out how well they have performed. Test books will go home every Tuesday to be collected on Wednesday.

Please email me at [c.falconer@froebelian.co.uk](mailto:c.falconer@froebelian.co.uk) or come and speak to me, before or after school, with any questions you might have. We hope you have a good weekend and your children are enjoying the exciting Dinosaur topic!

Best wishes,  
Cheryl Falconer & Claire Bell

**Calendar Dates –**
