

Froebelian School  
Juniors' Weekly Newsletter  
Form II  
6<sup>th</sup> October 2023

Dear Parents,

We have had another very good week in Form II. Both Mrs Jackson and I are continuing to see a steady improvement in the children's independence and this is something we will push throughout the year. Just as a quick reminder please make sure to signing homework diary's and that children are completing their daily reflection. This is checked by Mrs Jackson and myself every Monday. It is world Mental Health day on Monday so it would be great to see all the children wearing something yellow.

In English this week, we have continued to read our class read 'How to Train Your Dragon'. The children have now planned and begun their first 'Big Write' of the year. The aim is once they write they will type it up and be able to take it home with them along with a front cover and a synopsis. So you can all see the amazing work they are producing.

In our Maths lessons, the children have continued to work on place value to 10,000 including ordering and comparing numbers up to 10,000. I also continue to be impressed with all their work on Times-Tables Rockstar's and all children are showing more fluency in their tables and showing improvement in there test scores for times tables. Once children are able to score 60/60 consistently in under 2mins 30 I will begin to put them onto trickier tables.

The homework schedule will be as follows:

Monday - will be Times-Tables, Tuesday – will be Mental Maths, Wednesday - will be English, Thursday – will be French and Friday – will be spellings.

I will give children the new spellings on Monday so this can be completed any time through the week. I also expect that children complete 20 minutes every night of Times-Tables Rockstar's. As always if you have anything you would like to chat about please email me at [m.mullis@froebelian.co.uk](mailto:m.mullis@froebelian.co.uk).

We hope you have a lovely weekend.

Mr Mullis and Mrs Jackson
