Form II  
10<sup>th</sup> November 2023

Dear Parents,

I hope you all had a fantastic holiday and at least part of it was restful. Form II have started the new half of term exactly the way they finished working really well. They have settled really nicely back into the school routine and I have been very impressed with the work they have produced this week. All of them also conducted themselves very well at the fixture at Moorlands and represented Froebelian in the best light which they should be very proud of.

In English this week, we have begun work on non-chronological reports. I have been really impressed so far with their use of description and their ability to adapt to a new form of writing.

In our Maths lessons, the children have continued on column addition and subtraction working on exchanges up to a 4 digit number. The children's maths work has shown really steady improvement; the children have taken really well to the use of White-Rose Maths and they have also been showing great improvement in both their mental math and times-tables tests.

The homework schedule will be as follows:

Monday - will be Times-Tables, Tuesday – will be Mental Maths, Wednesday - will be English, Thursday – will be French and Friday – will be spellings.

I will give children the new spellings on Monday so this can be completed any time through the week. I am also going to be doing a big push on reading so it would be fantastic if you could listen to your children read for 10 to 15 minutes each week and also ask them questions about what they are reading. I hope the children are looking forward to the trip to Jorvik next week as it should be a really fun day. As always if you have anything you would like to chat about please email me at [m.mullis@froebelian.co.uk](mailto:m.mullis@froebelian.co.uk).

We hope you have a brilliant weekend,

Mr Mullis and Mrs Jackson
