Form II
24th November 2023

Next week, the whole school ethos theme will be:

We try to use kind words

Dear Parents

Although I say it every week, Form II have again had a brilliant week. They have been doing some practice assessments this week and I have been really pleased with the way they have conducted themselves.

In English this week, we have focused on comprehensions and how to answer them. I have been really impressed with how quickly the children showed improvement in their ability to answer a comprehension style question. They are now reading texts far more carefully and considering how much they need to write based upon the marks that are being given.

In our Maths lessons, the children have finished column addition and subtraction, and performed very well on the end of unit. We are working on making sure they check their answers before thinking they have finished.

The homework schedule will be as follows:

Monday – Times tables

Tuesday – Mental Maths

Wednesday – English

Thursday – French

Friday – spellings

I will give the children the new spellings on Monday so this can be completed at any time during the week. I am continuing a big push on reading so it would be fantastic if you could listen to your children read for 10 to 15 minutes each week and also ask them questions about what they are reading.

As always, if you have anything you would like to chat about please email me at m.mullis@froebelian.co.uk.

We hope you have a brilliant weekend.

Mr Mullis and Mrs Jackson
