

The Froebelian School
Welcome to Remove
10th November 2023

Next week, our whole school ethos theme will be:

We know how to help if someone is being bullied.

Dear parents and carers,

It was lovely to welcome the children back into school on Monday. They were so happy to see each other and full of enthusiasm for the Nativity long may it continue! As a class they are a delight to teach as their enthusiasm for school life is so contagious. We all enjoyed Our Remembrance assembly around the flagpole yesterday.

Nativity:

The children have all worked really well on their lines and we managed rehearsals with no scripts on stage. Your hard work last weekend and in the holidays has paid off! Thank you. Please help them become more confident with delivery, and ask them to act out the part like they will be doing on stage. This is always a huge help for us and the children. Please keep going over the lines on a daily basis. We will be sending an email about costumes next week.

Homework

I have included a literacy sheet in the homework book. The story is on Seesaw.

As always keep working on TT Rockstars - Arena.

Work on Nativity lines.

Please complete the test corrections using the purple polishing pen.

Tests – Please correct the errors using the purple polishing pen.

Monday – Spellings

Tuesday – Times Tables

In English the children have been designing recipes for a disgusting sandwich lined to the story 'The Lighthouse keepers Lunch'. Children are working really hard in phonic lessons and writing some excellent sentences. Next week we will be writing letters to Father Christmas.

Due to The Nativity Rehearsals we may not be reading as often but we will continue to change books.

In Maths the focus continues on place value, this week children have been comparing numbers in a more abstract way. The language of "greater than", "less than" and "equal to" should be used alongside the inequality symbols throughout. The use of a number line supports children's understanding. They understand that the further to the right on a number line a number is, the greater it is in value.

Calendar Dates

Monday 13th November – Anti – Bullying week & Odd Sock Day

Thursday 16th November – FPTA disco

Friday 17th November – Children in Needs

We hope you all have a lovely weekend and wish our families who are celebrating Divali a wonderful festival.

Kind Regards,

Kimberley Sibson & Kelsey Beaumont
