

The Froebelian School
Welcome to Transition
10th November 2023

Next week our whole school ethos theme will be:

We know how to help if someone is being bullied

Dear Parents,

Welcome back everyone after the half term holiday. The children have been telling me and Mrs Bell about all the wonderful things they have been up to. **Wow** Rome, Turkey and Birthdays and lots more-all amazing experiences for them! They seem to have grown up in height and seem calm and ready for learning.

Nativity

We are starting to cast the children into their Nativity roles. We will let you know if we need any costumes and props for this. This week we are starting to learn the songs. We will send the songs by email so you can learn them at home with your child. They are beautiful songs.

Tests

Monday – Spellings will take place on Monday

Please learn these as there will be a formal test in their test books.

In English, the children have been writing some sentences about Squash and Squeeze which is our focal book. We have thought about the emotions of the old lady in our story and acted it out. Now we are trying to write longer sentences.

In Maths, this week the children have started addition and subtraction. This is one of the examples we tried. Complete the part -whole model to match the counters.

There are 2 yellow counters and 3 red counters. Here is a part -whole model. Try some different examples at home and remember to leave blanks on one or two of the circles so your child has to fill them in.

We hope you all have a lovely weekend

Cheryl Falconer & Claire Bell
