Our whole school ethos theme next week is:

We know how to give and receive compliments

Dear Form I Parents

We've had another week of diverse learning experiences! To start off the week, we enjoyed a heart-warming treat with the delightful pre-prep Nativity play on Monday morning. In English, our talented children immersed themselves in a roleplay hot seating activity, embodying characters from 'Charlie and the Chocolate Factory' to gain insights into their perspectives at different stages in the story. In Maths, the children's decision-making took the spotlight as we focused on selecting the most fitting methods for solving number problems and honed our skills in estimating answers. During our Global Studies lesson, we extended our focus on Fairtrade, exploring chocolate brands that support farmers worldwide. In Science, we tackled environmental responsibility, focusing on the meaning of food waste and what we can do to help. It's been a week filled with discovery, creativity, and festive joy!

Warm regards

Ms Connolly, Mrs Hanson and Ms Morley – The Form I team
