Form II
8th December 2023

Dear Parents

We really are on the countdown to Christmas now. Form II have been very busy this week getting things ready for the Christmas Fair. The children are all really looking forward to the Carol Concert next week and sounded fantastic every time I have heard them.

In English this week, we have been finishing off our non-chronological reports as well as writing Christmas stories. I have been really impressed with the children's reports and the research they did on their chosen subjects.

In our Maths lessons, the children have finished looking at the area of shapes and how to create different shapes with the same area. I was very impressed with their scores in the end of unit test with quite a few of them scoring full marks.

The homework schedule will be as follows:

Monday – Times-Tables

Tuesday – Mental Maths

Wednesday – English

Thursday – French

Friday – Spellings.

I will give children the new spellings on Monday so this can be completed any time during the week. I am continuing to do a big push on reading so it would be fantastic if you could listen to your children read for 10 to 15 minutes each week and also ask them questions about what they are reading.

Over Christmas I will be giving children individualised homework packs to enable them to focus on certain areas. If you have any questions about this please don't hesitate to contact me.

As always if you have anything you would like to chat about please email me at m.mullis@froebelian.co.uk.

We hope you have a brilliant weekend.

Mr Mullis and Mrs Jackson
