

Froebelian School  
Kindergarten's Newsletter  
1<sup>st</sup> December 2023

Next week, the whole school ethos theme will be:

**We know how to give and receive compliments**

Dear Parent,

Wow I can't believe it is December!!

This week we have started to think about Christmas! We have been practising for our Nativity and have been making some Christmas crafts. The children are really enjoying this time of the year and lots of them have been telling us about the Christmas decorations you have at home.

We are excited to perform the Nativity for you all next week. Thank you for sending in the clothes for the costumes.

Chef Matty was super happy when KG went to the Hub to sing our jolly Good Morning song to him. He said that it made his day!

I am sorry that some of you could not access the Seesaw activities last week. Keep sending pictures and videos, we love them all. Perhaps if you have put up your Christmas tree you could send a picture of it too.

**Literacy**

This week we have been learning the sounds sh, th (moth), th (feather) and ng. We have been reading words with these sounds and trying to write words with these digraphs. See if your child can practise some letter formation at home.

Next week we will be learning; ai, ee and igh, as well as consolidating the sounds we have already learnt.

**Mathematics**

This week we have been consolidating the understanding of numbers being made up of smaller numbers.

**Christmas Fair**

On Friday, the children **should not** bring their satchels to school please.

**Homework**

All homework will be set on the Seesaw app. This week there is a Maths focus, where the children can practise and consolidate the things we have been learning in Maths.

Your child will also bring home some new flashcards along with a Tricky Word bookmark. Please practise reading and spelling these at home.

We hope you have a lovely weekend!

From the KG team
