

The Froebelian School
Welcome to Remove
8th December 2023

Next week, our whole school ethos theme will be:

We know how to give and receive compliments

Dear parents and carers

Wow, Remove what can I say! What a successful week it has been and you have made us all so proud. I want to take this opportunity to thank you all for helping and supporting your child with their lines and sorting out props and costumes etc. A real team effort. We have some amazing photographs to share with you. This is the link to the parent portal to access the most fantastic photographs.

Homework – has been set on seesaw this week

The children can complete 1 or 2 tasks. They have worked so hard, so a fun based homework for this weekend.

Rhino Challenges

TTRockstars

No Formal tests next week – we will be assessing the phonics learnt this term.

In English we looked at grammar with a focus on adjectives and expanded nouns, and using these in our creative writing. Handwriting has been another focus thinking about the sizes of our letters and where they sit on the line.

In Maths the focus has been on addition and subtraction, and being able to identify related facts for both addition and subtraction calculations. If children know that $2 + 5 = 7$, they should be able to use this knowledge to state that $20 + 50 = 70$. We continue to work on times tables, looking at TTRockstars.
