

Froebelian School
Form I Newsletter
Friday 12th January 2024

Next week our whole school ethos theme will be:

We are physically active

Dear Form I Parents

English

Our new class novel is 'The Miraculous Journey of Edward Tulane', and our work in English is centred around this novel. This week the children have been making predictions about what the novel could be about and writing character descriptions using adjectives.

Maths

In maths the children have been learning about multiplication and division. The children have used arrays to represent multiplications. The children have also applied their mathematical knowledge to solve reasoning problems.

Science

The new topic in science this term is 'rocks'. This week the children have used magnifying lenses to observe and draw the different type of rocks. They have also looked at the different properties of the rocks.

Global Studies

Our topic this half term is 'Volcanoes'. This week the children have learnt about the different parts of a volcano. In ART, the children have drawn some fantastic pictures of volcanoes which are now on display in the classroom.

Warm regards

Mr F.Hussain Mrs S.Hanson Ms A.Morley
