

Froebelian School
Kindergarten's Newsletter
26 January 2024

Next week, the whole school ethos theme will be:

We know how to be a good friend and enjoy healthy relationships

Dear Parent

This week in Kindergarten we have been learning about animal habitats. We have explored different areas and regions in the world, talking about the animals that might live there. We have been reading both fiction and non-fiction books to enhance our knowledge which the children have really enjoyed.

Literacy

This week we have been learning the sounds ur, ow (cow), oi and ear. We have been reading words with these sounds and trying to write words with these digraphs and trigraphs. See if your child can practise some letter formation at home. When we were looking at oi we went to see Chef Matty to tell him about learning oi, and he gave us some oil and tinfoil. Next week we will be learning air, ure and er as well as some tricky words.

Mathematics

This week, we have been exploring and building on their knowledge of '1' more and '1' less working with numbers up to five including zero. We looked at subitising numbers to 6. They also recognised that when counting back, we can include zero after 1. See if your child can have a go at this at home using Lego bricks or other resources to help them. Next week, we will be learning about time; days of the week, months of the year and our daily routine.

Homework

All homework will be set on the Seesaw app. Please see the Seesaw activity for more details.

Your child will also bring home some flashcards along with Tricky Word bookmarks. Please practise reading and spelling with these at home.

We would like to wish Penny good luck in her new school. It has been fabulous to teach her and watch her progress in KG.

We hope you have a lovely weekend!

The KG Team

Calendar Dates –

February	
Fri 2	Costume Sale (Hall), 8.00am & 3.30pm
