

The Froebelian School
Welcome to Remove
26th January 2024

Next week, our whole school ethos theme will be:

We know how to be a good friend and enjoy healthy relationships.

Dear parents and carers,

We have been very busy in Remove this week and have had a number of children looking tired and just not themselves. As always, the children are eager to perform their class assembly which is now taking shape. On a visit into my garden the other day I saw some buds coming on my Magnolia tree, hard to believe it is only January with these unseasonal temperatures.

Homework –

- All children have a reading comprehension to complete about a pirate.
- Rhino Challenges
- **Please complete the test corrections each week, they have a green square to write the correct number in, do not rub out the original answer.**
- Learn one of the poems ready to say it in front of the class after half term ready for the drama festival in March.
- Find out what year you were born on the Chinese zodiac calendar
- A copy of the spellings are now on seesaw
- Times Tables

In English we looked at grammar with a focus on commas, capital letters and full stops. This week we have been using dictionaries to locate different foods, this has been popular with all children.

In Maths the focus has been on 2D & 3D shapes with a focus on their properties, drawing a 2D shape on square paper and looking at lines of symmetry to complete pictures and shapes.

The children have created some wonderful treasure maps this week as part of the Pirate Hook theme. I hope you were able to find a good place for the creative pirate ships they all brought home.

Uniform

Please ensure children come to school with a hat every day. This can be a black fleece hat or a cap/hat. Please ensure all uniform is clearly named.

Kind Regards,

Kimberley Sibson & Kelsey Beaumont

Calendar Dates	
Friday 2 nd February	Costume Sale (8.00am & 3.30pm)
Thursday 8 th February	Remove class assembly
