

The Froebelian School
Welcome to Remove
2nd February 2024

Next week, our whole school ethos theme will be:

We know how to keep calm and deal with difficult situations.

Dear parents and carers,

The class assembly is in full swing this week and as always, the children are so enthusiastic and excited about performing. We are looking forward to you joining us next week. It has been a lovely week watching the sun rise and getting home in the daylight.

Homework –

- This week we have been learning all about Captain James Cook – a Navigator and Explorer. Captain Cook's first Voyage was on the famous ship 'The Endeavour'. This weekend I would like the children to search the web or non-fiction books to find out about a **famous boat or ship**. Use the sheet or feel free to complete the task on Seesaw as a Pic collage. Encourage your child to include interesting facts, downloading images or make drawings. Famous ships to choose from include: RMS Titanic, the Santa Maria, the Cutty Sark or HMS Belfast.
- Rhino Challenges
- **Please complete the test corrections each week, they have a green square to write the correct number in, do not rub out the original answer.**
- Learn one of the poems ready to say it in front of the class after half term, and ready for the drama festival in March.
- A copy of the spellings are now on Seesaw
- Times Tables ready for the test on Tuesday.

In English we looked at grammar, with a focus on proper nouns and continued with the same sounds in phonics but applying the spelling patterns to a variety of words.

In Maths the focus has been on 2D & 3D shapes, with a focus on counting vertices on 3D shapes and drawing 2D shapes.

Class assembly – the children will be wearing their school uniform on the day.

Kind Regards,

Kimberley Sibson & Kelsey Beaumont

Calendar Dates	
W/C 5 February	Mental Health week
Thursday 8 February	Remove class assembly
Friday 9 February	School closes for Half term – Drama and HAC as normal.
