

Froebelian School
Form I Newsletter
Thursday 28th March 2024

After the holidays, our whole school ethos theme will be:

We know how to make friends.

Dear Parents and Carers,

We have had another amazing week in Form I. We have taken part in The Spring Festival and everyone was so proud of the children who stood on the stage and performed. Well done to everyone!

On Tuesday, we were delighted to welcome Mr Coleman to the classroom. He led the lesson, and told all the children about himself. They all had a chance to complete a Fact File about themselves and share some interesting stories. We found out what music Mr Coleman enjoys, what books he likes to read, how old he is and where he is from. The children loved finding things out about him and sharing facts about themselves. Mr Coleman is very excited about joining our Froebelian Family and can't wait to teach Form I. I am sure it's going to be an exciting time for Form I.

This is my last newsletter as their teacher and I wish all the children well in their future learning. Thank you to you for your support over the past two months.

English

This week in English the children completed their work on the class novel 'The Miraculous Journey of Edward Tulane'. They thought about the future life of Edward, the main character. We also wrote a coda which provides a conclusion to the story.

Maths

In Mathematics the children have been learning more about equivalent lengths in centimetres and millimetres. We then compared lengths. They have applied their learning to solve word problems.

We are continuing our differentiated Mental Arithmetic booklets and these will be coming home today. Please look and work on any corrections and complete one page, thank you.

REMINDERS:

- The next Spelling test will take place on Friday 19th April and the spelling group to learn will be **Week 23 Homophones.**
