

Froebelian School
Form IV's Weekly Newsletter
22 March 2024

Next week's ethos theme will be:

We are working hard to achieve our own dreams and goals.

Dear Parents and Carers,

A Snapshot of the Week:

Another busy week in Form IV, filled with challenges and investigations. The House Swimming Gala on Tuesday was closely contested, and everyone represented their House well. Well done to all.

The finishing touches have been applied to products and businesses, and they are expecting their first day of sales to be successful. We are so proud of how the children have worked with the usual Froebelian Spirit, and some pupils helping other Business Groups when their own business tasks were finished.

They have all been superb, emulating our Strategic Stephanie, Risk Taker Rishi and Determined Dennis Froebelian Flyers. Well done!

We are sure that the Drama afternoon of our Spring Festival will not disappoint. We hope you are able to join us this afternoon.

Spring Festival:

Please make sure your child is practising the songs and backing tracks for the Spring Festival House singing from Seesaw. Please also encourage your child to rehearse for any instrumental classes they are entering. We know the children have been working very hard and we are looking forward to seeing you at the events.

Tests and Folders:

The test folder has been sent home, and should be returned by Tuesday. There are the usual spelling and mental maths tests to correct, along with homework task corrections.

School Values:

As you are aware, at Froebelian, we aim to empower our students to become respectful, compassionate individuals who embody the values of Love, Respect, Fairness, and Honesty. These values not only shape the environment within our school but also serve as guiding principles for our students as they navigate through life.

We believe that teaching manners and respect goes beyond mere etiquette; it is about instilling values that foster empathy, understanding, and kindness towards one another. As our Form FIV pupils prepare to transition into the next phase of their academic journey, it is crucial that they carry with them these essential qualities that will serve them both in and out of the classroom.

We kindly ask for your support in reinforcing these values at home, as consistency between home and school environments greatly enhances the learning experience for our pupils. Encouraging polite interactions, active listening, and empathy towards others can have a profound impact on shaping their character and contributing positively to our school community.

If you have any worries or concerns about anything to do with your child, Mr Rawson and I are both available before and after school, so please feel free to come and see either of us immediately, or contact me on n.smith@froebelian.co.uk, or write a note in the Pupil Planner.

Thank you for your continued support.

Have a good weekend,

Kind regards,

Nicky Smith and Joshua Rawson

Calendar Dates
