Next week, the whole school ethos theme will be:

We can work well with a partner or in a group

Dear Parent

The children really enjoyed the Teddy Bears picnic on Monday, it was a great success. There were various activities and a bouncy castle to release some of their boundless energy!!! Thank you to the parents that helped make it such a fabulous event.

We have been exploring around the school looking for signs of Spring. We found Daffodils, Hyacinths, Tulips and buds sprouting on trees. They enjoyed creating a beautiful Daffodil flower.

Literacy

This week we have been recapping all of the Phase 3 sounds we have been learning. The children are doing so well and we are proud of them! We have been reading and writing sentences with the Phase 3 sounds in. See if your child can write some sentences at home. Next week, we will continue to consolidate all the sounds we have learnt so far and apply these to our reading and writing.

Mathematics

This week we have begun a new topic of Growing six, seven and eight. The children were exploring finding different representations of these numbers. They then built on their learning of finding these numerals and quantities by making their own representations.

World Book Day

World Book Day will be taking place on Thursday 7th March this year. Please could your children come to school dressed as a book character with the additional challenge of spending as little money as possible to make/source their costume. They can also bring books (on the day) for the 'Book Swap Shop', so please do keep a note of how many books your child brings, as this will determine how many books they can take home.

Homework

All homework will be set on the Seesaw app. Please continue to learn their House song. You could send a video of them singing it.

Your child will also bring home flashcards along with Tricky Word bookmarks. Please practise reading and spelling with these at home.

We hope you have a lovely weekend!
