8th March 2024

Next week, the whole school ethos theme will be:

We have a positive attitude

Dear Parent,

Woo hoo! At last we have seen some glorious sunshine. It just makes you feel so much better.

I am so sorry that some of you were not able to access the homework activity on Seesaw. I hope you are able to this weekend.

What a wonderful day we had yesterday for World Book Day! We really enjoyed seeing the children's costumes. We had fun with lots of different World Book Day activities throughout the day. We focused on the book Spinderella by Julia Donaldson. Thank you to everyone who made the day a success. Today the Remove children read a book to Kindergarten that they had made, and the children had a great time.

The children really enjoyed making Mothers' Day cards using paint and forks! I hope that you all have a fabulous family day together and that you get spoilt rotten!

Literacy

This week we have continued to recap all of the Phase 3 sounds we have learnt so far, including reading and writing sentences using the Phase 3 sounds. We will shortly be moving on to Phase 4.

Mathematics

This week, we have been practising building on their learning of finding the numerals and quantities of six, seven and eight, and making our own representations. We used this strategy practically by being explorers around the school with our magnifying glass to see if we could see any minibeasts to count their legs (unfortunately we didn't find any!!!). So, we went to another plan by looking in books!! We then looked at one more and one less of these numbers. You could practice with these rhymes – 'Ten Green Bottles', 'Eight in the Bed' and 'One Man went to Mow'. They enjoyed acting these out.

Homework

All homework will be set on the Seesaw app. This week, there is a World Book Day focus. It is a Book Scavenger Hunt.

Your child will also bring home flashcards along with Tricky Word bookmarks. Please practise reading and spelling with these at home.

We hope you have a lovely weekend!

The KG Team
