Next week, the whole school ethos theme will be:

We are working hard to achieve our own dreams and goals

Dear Parent,

We thoroughly enjoyed welcoming our visitors on Open Morning. It was wonderful to welcome so many families.

Thank you so much to everyone who attended our Come Dine with Me on Thursday. The children loved having you there for lunch and we hope you all enjoyed yourselves. Chef Matty cooked up some delicious food.

We enjoyed tasting some of Rishi's home-made milk bread. We had it with butter and jam.

On Monday 25th March we will be visiting First Steps Nursery, who have had some living eggs delivered, which are beginning to hatch. We thought that it would be a fantastic experience to take Kindergarten to see the fluffy feathered friends. Please complete the consent form.

Literacy

This week we have been completing our last week of Phase 3 and will begin Phase 4 next week. We wrote some instructions for planting cress seeds. Once they have grown we are going to ask Chef Matty to cook some eggs and then we will make egg and cress sandwiches (maybe with some more of Rishi's bread!!).

We also completed some writing about our favourite flower by drawing it and describing it.

Mathematics

This week we have been practising doubling, and beginning to combine two groups to find out how many there are altogether. See if your child can find a number at home, and then tell you what is double the number.

Homework

All homework will be set on the Seesaw app. This week the children can practise the House songs in readiness for the House Singing competition on Monday. If you would like to get the children to perform them and put it on Seesaw that would be fantastic.

Your child will also bring home some sound mats, containing all of the Level 2 and 3 sounds we have learnt. You can use these as a recap at home or play some games with them e.g. spot the sound.

We hope you have a lovely weekend!
