After Easter, our whole school ethos theme will be:

**We know how to make friends.**

**Dear parents and carers,**

It was so lovely to see some of you at the Spring Festival this week. The children were fabulous. Well done Tudor for winning the Pre-Prep Choir.

We can't believe how fast this year is whizzing by. Hard to believe the children will have only one term left in Remove. It promises to be a busy term with a Hook Day (details to follow soon), Cliffe House Residential and the children will be going swimming (please see email further details).

In English we have been working on our Creative writing skills, and this week the children had a Magic Balloon – they were asked to write about a journey they could go on. This encouraged the children to make their story exciting by using adjectives and speech marks.

In Maths we have completed the multiplication and division topic including an end of topic mini assessment. All the children tried hard, but one thing the children are starting to discover is the importance of knowing the times tables.

**Homework** – As we approach a holiday, we would like the children to rest and recharge ready for a busy term after Easter. I have included some Easter activities that are optional.

**On going learning**

- Common Exception words – test on the first week back.
- Times table test when we return.
- Reading

**Cliffe House:**

Please pop in to discuss any questions you might have regarding our residential to Cliffe House.

We hope you have a wonderful Easter break and wish our families c

appy Eid.

Kind Regards,

Kimberley Sibson and Kelsey Beaumont
