

Froebelian School
Kindergarten's Newsletter
26 April 2024

Next week, the whole school ethos theme will be:

We help others feel part of the group.

Dear Parent

Thank you for the homework about all the places the children have visited. The children looked at where they were on the world globe, and then we looked at where Leeds was on the UK map.

We had our very own Saint George on Saint George's Day on Tuesday. We discussed the story and completed various activities on the subject.

Our Stay and Play was great as we welcomed our visitors. Kindergarten were really welcoming and some of the children painted pictures for them. How lovely and kind.

We have continued to practise our lines, songs and dances for our class assembly.

Please note, on PE days the children do not need their hats or blazers. They just need a black fleece.

Literacy

This week we have been learning to read words with adjacent consonants at the beginning of the word e.g. drum. We have put these words into sentences and the children have been doing well. See if your child can do this at home. Next week we will continue with Phase 4.

Mathematics

This week we have been practising to understand simple time differences, such as day/night, what is happening today/tomorrow. We have made references to time in daily routines and they have loved singing the Days of the Week song. You could practice this at home and ask them what was the day before or the day after.

They loved being timed for one minute whilst completing activities such as, how many times you can write your name, how many star jumps, and how many jumps they could do.

Homework

All homework will be set on the Seesaw app. Please check the app for this week's activities. Your child will also bring home some sound mats, containing all of the Level 2 and 3 sounds we have learnt. There will also be some spellings for children to practise at home.

All the children's pictures have been published in the Young Writers 'Me and My Family' Book. If you would like to purchase a book, please see the form that has been sent home.

We hope you have a lovely weekend!
