

The Froebelian School
Welcome to Remove
19th April 2024

Next week, our whole school ethos theme will be:

We try to solve friendship problems when they occur.

Dear parents,

I hope you all had a fantastic Easter break. I can't believe that we are in the final term in Remove. It has certainly been an exciting week. It was so lovely to see some of you yesterday at The Come Dine with Me.

Hook Day

We all had a fantastic Hook day on Tuesday. In the morning the children continued with work on designing a garden and writing about it. After break we used our senses to investigate herbs; they quizzed Chef Matty about the herbs he used at lunchtime! In the afternoon we had a wonderful workshop led by Catherine White at Floral Design. I hope your plants grow well, they need a small amount of water and some sunshine.

In English we have been working on writing about our garden that the children are going to make in art next week. We are having a big pull on handwriting and presentation in Remove, in preparation for the Juniors. Please can I ask you to reinforce this at home with homework. Children need to write both names on all work.

In Maths we have been focussing on length and height, looking at measures in centimetres, metres, comparing lengths and heights and ordering these. We have experienced some good practical maths lessons using equipment.

Homework – this weekend the children have been asked to complete some maths on measuring. Extra homework – reading, test corrections and spellings. I will also update the times table rockets ready for the next test.

Assessment week

No weekly tests next week as the children will be busy with formal assessments in class. They are super excited about this. It is lovely to hear how excited they are and better to keep it low key so they do not worry about them. I know they will try their best, and they will be reminded to read the questions carefully. These results will be discussed at the next parent consultation evening.

Kind Regards

Kimberley Sibson and Kelsey Beaumont
