

**The Froebelian School**  
**Welcome to Remove**  
**26th April 2024**

Next week, our whole school ethos theme will be:

**We help others to feel part of a group**

**Dear parents,**

Wow, what a busy week in Remove this week. The first swimming lesson went very well and the children listened and behaved extremely well at the pool, they were good Ambassadors for the school. The children were so enthusiastic to do the assessment booklets and worked hard on them. Please remember it is a snapshot on the day, the children have achieved so much this year in Remove.

**Cliffe House**

The excitement has started for this, and the children are discussing what things they are taking. We will be having a small meeting with them on Monday so they know more on the lead up to the trip. If you would like your child to have a packed lunch on the day please complete the form as soon as possible. On Thursday we will be sending a medical form home.

**In English** we had an English assessment which covered spelling, grammar and a reading comprehension. We have continued reading 'The Hodgehog' and being 'Wizzy Writers' this week. Each child was given a 'Magic Bean' and they had to write about what happened to the bean – thinking about using adjectives to describe the plant or the flower.

There will be a spelling test on Monday.

**In Maths** we completed a Maths assessment booklet followed by work on length and measure with an end of topic test to see if they have understood. Next week we move onto Mass, Capacity and Temperature. A mental maths test next week.

**Homework** – this weekend the children have been asked to choose 1 - 2 tasks from the sheet in their homework folders. I have uploaded one to Seesaw in case they get misplaced. I look forward to seeing the completed work. I hope you have fun.

Kind Regards

Kimberley Sibson and Kelsey Beaumont
