

**The Froebelian School**  
**Welcome to Transition**  
**26<sup>th</sup> April 2024**

Next week our whole school ethos theme will be:

**We help others to feel part of a group**

**Dear Parents,**

Hook Day was a hit! We had our own mini carnival in school with mask making and dancing, the children really enjoyed the start of our new topic and it was so lovely to see them in their brightly coloured carnival clothes.

We also had a busy week with assessments, the children worked so hard and did their best. Please remember, this is a snapshot of their learning and the results do not take into account the huge amount of progress the children have made throughout this year. We are so proud of each and every one of them!

**Tests**

**Monday** – we will have a spelling test. (This will be the ea words the children already have)

**Thursday** – we will have a times table test

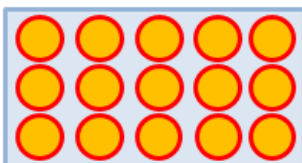

**Friday** – we will start our Mental Maths tests which the children will not be able to practise for

**In English** we have been recapping our Phonics as well as completing our in-school Phonics assessments. This will help us to identify any gaps and make sure all children are in the correct group to achieve their full potential.

**In Maths**, we have been recapping counting in twos, fives and tens. We have also started to group objects and looked at some simple arrays to find the answers to multiplication questions.

See image below:

**What is 5 x 3?**

**Homework**

**Please check Seesaw for this week's homework. Children do have their Phonics spellings to learn, and their books to read.**

We hope you all have a lovely weekend!

Mrs Townsend and Mrs Bell

**No extra events next week**
